

Care for Friends - Pantry Wish List

Thank you for your support!

Your generous contributions of high-quality ingredients will help us to serve thousands of truly delicious home-cooked meals at our Edgewater home of 5749 N. Kenmore.

Please do *not* collect:

Flour, rice, bags of dry peas and beans, canned beans or legumes. We already receive a large volume of these items.

Wish List. We greatly appreciate and need the following:

Pop-top Soups

- Hearty, meaty soups with pop-tops.
- Chicken noodle and chicken with rice soups, also with pop-tops.

Pop-top soups are the most well-loved item that we provide to our guests in addition to the hot meals. They can be easily heated and eaten by our guests.

Please do not donate tomato or vegetable soups.

Cartons of Broth: Our cooks love and use a great deal of broth to prepare meals. Cartons are very helpful and easier to use than cans.

- Chicken broth
- Beef broth
- Mushroom soup

Olive Oil

Another ingredient used frequently by our cooks. We do receive regular vegetable oil from GCFD, so olive oil donations are much appreciated.

Salad Dressing

- Italian dressing
- Ranch dressing

Sauces:

- Jars of marinara sauce

- Cheese sauce
- Jugs of salsa

Spices:

- Italian seasoning
- Garlic powder
- Fresh garlic in glass jars with oil

Canned vegetables:

- Whole Kernel Corn
- Green Beans

Again - please no canned legumes (*black beans, pinto beans, kidney beans, etc*). We receive large volumes of legumes.

Candy:

Plain M&Ms in large bags or containers. We make trail mix bags for guests to take with them. The guests love when we are able to add a small amount of plain M&Ms to the mix. We appreciate any and all plain M&Ms, but the larger bags are easier and fresher for us to use than the small Halloween-size packets.
